FAMILY BEHAVIORAL HEALTH CLINIC
Healing mind, body and spirit
A Maryville Service

MyHealthPointe

Your online client portal

View your care information and connect with your Family Behavioral Health Clinic team.

Get started

1. **Ask for a registration email**
   Your Maryville provider or the front desk can send it to you.
2. **Open your registration email**
   It includes your username, validation code and links to access the portal.
3. **Create your account**
   Follow the registration link and enter your username and validation code.

Choose how to access the portal

iPhone or iPad: App Store • Android: Google Play • Computer: Web browser

What you can do in the portal

View your health record
See visit summaries, medications and allergies.

Manage appointments
Request appointments, view upcoming visits and get reminders.

Message your care team
Send secure messages and receive updates.

Complete forms online
Update your information and access documents.
